

Amendments to the Specification:

Please replace an unnumbered paragraph located in the original specification just before the Detailed Description, at page 30, lines 24-27 with the following paragraph.

FIGs. 12A, 12B, 12C (12C-1, 12C-2), 12D, 12E, 12F, and 12G illustrate, in a flow chart, acts performed during the creation of a complex fixed-point constant, variable, or vector. FIG. 12C is a key to FIGs. 12C-1 and 12C-2.
